Careerpath and Your Degree

• Why are you here?
  • Job
  • Research or PhD
• Your career starts now – don’t wait
• Learn the job market - what knowledge and skills are required
• Be Flexible
• Take the right courses
• Take advantage of the resources that the University has to offer
• Network (internships, practicums, conferences, webinars, listservs, social media)
• Your academic advisor is only one resource. Consult mentors, teachers, working professionals, fellow students
But wait, there’s more...

http://si.arizona.edu/graduate_advising

• MA-LIS program descriptions
• Academic Progress
• Graduate Paperwork
• ePortfolio
• Policies
• ...and more
